

For this week's Community Involvement Spotlight, we recognize [Thomas MacNeely's](#) service with the St. Vincent de Paul Kitchen and the important work they do to help our community.

St. Vincent de Paul Kitchen is a safe place for people in need. They provide hot meals to keep them healthy, clothes to keep them warm, and love and companionship to nourish their souls. The kitchen operates every day of the year and is staffed almost entirely by volunteers. Tom currently serves as a Member of the St. Vincent de Paul Kitchen's Board of Directors.
