

Congratulations to the Family Business Alliance on the Success of their Lunch & Learn Program “Excelling Through Unexpected Crises, Choices, and Challenges.”

Congratulations to the Family Business Alliance on a successful Lunch & Learn event! Last Wednesday, the FBA presented “Excelling Through Unexpected Crises, Choices, and Challenges” at Wilkes University. The panel presentation included Chuck Cohen, Julie Charlestein, Todd Stephens, and Darcy Buck. The program offered a great opportunity for attendees to enjoy lunch and interact with the panel members. Lee Piatt, MaryJo Kishel, and Josh Donvito of our Business & Finance Department attended the event. Our firm has been a long-time sponsor of the FBA and our attorneys regularly attend and present seminars at their events.
