

Our own [Nick Marinelli](#), an associate in our Business & Finance Department, is participating in Leadership Wilkes-Barre. His group, [Dream Builders](#), is asking for community members to play a role in a project that will make a huge difference in the lives of foster youth in our community.

Their goal is to acquire and install a new play area in the back yard of Brandon's Forever Home (BFH) in Hazleton, in order to give the foster youth that receive services at BFH a safe, fun space to enjoy. Right now, they are holding a Rockin' Raffle! Tickets are \$25 each and only 200 are being sold. The grand prize winner will win 2 tickets to all three shows in Hershey: Motley Crue/Poison, the Hella Mega Tour (Weezer/Fallout Boy/Green Day), and Journey/The Pretenders. To purchase a ticket or to learn more about their project, please visit <https://www.facebook.com/LWBDreamBuilders/> or contact any member of the Dream Builders team on the their Facebook Page.
