

As businesses struggle to understand and comply with the various governmental orders intended to combat, and new laws intended to address the economic impact of, COVID-19 (the Coronavirus), they should seek legal counsel to assist them in properly complying with those orders and understanding the requirements and implications of those new laws. In a rapidly changing climate, Rosenn, Jenkins & Greenwald's Labor & Employment Department is available to assist business owners in fulfilling their obligations under these new requirements and in making any necessary business decisions as a result of these new requirements. If you require assistance with these matters, please contact [Jim Valentine](mailto:jvalentine@rjglaw.com) or [Kieran Casey](mailto:kcasey@rjglaw.com) of our Labor & Employment Department at [jvalentine@rjglaw.com](mailto:jvalentine@rjglaw.com) or [kcasey@rjglaw.com](mailto:kcasey@rjglaw.com).
