

Congratulations to Marley E. Mullery, an associate in our Litigation Department and a member of our Labor and Employment Law Practice Group, on being admitted to the Wilkes-Barre Law & Library Association!

Marley was admitted on December 1st, along with four other attorneys from the area, in a ceremony that took place at the Luzerne County Courthouse. The Wilkes-Barre Law and Library Association is the official name of Luzerne County's bar association. The Association serves an important role in maintaining the Hon. Max Rosenn Memorial Law Library for the use of its members. The Library is so named in recognition of the many contributions the Hon. Max Rosenn, one of our firm's founding members, made to the Association and the greater Luzerne County community.
