

Bob Schaub and TJ Jensen, lawyers with Rosenn, Jenkins & Greenwald's litigation department, were recently successful in defending a Motion to Dismiss in a federal action pending in the Middle District of Pennsylvania.

The action stems from an alleged breach of lease agreement involving a rock quarry operation. The Motion to Dismiss was filed by opposing counsel in an effort to dismiss a substantial counterclaim filed by Schaub and Jensen on behalf of their client.

Schaub and Jensen will now vigorously pursue their client's claims for damages.
