

On Wednesday, November 7, 2018, [Lee Piatt](#), a partner in our Business and Finance Department, gave a presentation at the [Pennsylvania Bar Institute](#) Business Law Institute 2018 in Philadelphia on the topic of "Owner Disputes in Privately Held Entities in Pennsylvania."

Specific matters covered in the presentation included avoiding disputes through proper planning, identifying the legal issues in a dispute, obtaining information from the entity, and resolving the dispute through a buyout.

If you would like to know more about these topics or how our firm can assist you with any similar legal issues, Lee's contact information can be found [here](#).
