

Businesses which have received at least Two Million Dollars (\$2,000,000.00) in Paycheck Protection Program (“PPP”) Loans are currently receiving, and are required to complete, a “Loan Necessity Questionnaire” (“Questionnaire”) prepared by the United States Small Business Administration (“SBA”). Responses to the Questionnaire will be utilized by the SBA, in part, to determine whether the business has satisfied PPP Loan eligibility requirements. The attorneys at Rosenn Jenkins & Greenwald are monitoring Questionnaire and PPP Loan forgiveness related-guidance issued by the SBA, and are prepared to assist businesses in completing the Questionnaire and/or applying for PPP Loan forgiveness. Please contact Kieran Casey (kcasey@rjglaw.com or 570-826-5692) if your business has any questions or requires any assistance with these issues.
