

In the first installment in our Professional Activity Profile series, we'd like to recognize Robert Schaub's involvement with the Pennsylvania Bar Association's Professional Liability Committee.

The PBA's Professional Liability Committee monitors and make recommendations concerning lawyers' liability case law and related statutes and administrative developments, including lawyers' liability insurance coverage and the market for that insurance, the formation and operation of any PBA-related lawyer liability insurer, and PBA-sponsored or endorsed lawyers' liability insurance programs. Additionally, the committee explores and conducts legal malpractice avoidance and loss-prevention programs.

Bob has been a member of the Professional Liability Committee for over 30 years and is the former Vice-Chair of the Committee.
