

Congratulations to National Sisterhood United for Journeymen Linemen (NSUJL) on the success of their 11th Annual Fallen Lineworkers Benefit Rodeo!

The event took place on June 17th at City View Park in Hazleton. All proceeds supported families of fallen and injured IBEW powerline workers. Rosenn, Jenkins & Greenwald was a proud sponsor of this event. Our own Tiffany Buchman, Lori Shatley, and Nancy Cominsky attended the event and Tiffany and Nancy also worked at a stand. This cause is especially important to us as Tiffany's son and Lori's son are both linemen.
