Our firm is proud to sponsor Dinners for Kids' 15th Anniversary Celebration!

This year's gathering, themed "A Crystal Harvest: 15 Years of Nourishing Futures," will be held on November 18th at Friedman JCC.

During the night, Dinners for Kids will present its Founding Volunteers with the 2026 Jim Haggerty Service Award. There will also be a Giving Tree on display, symbolizing the many individuals, businesses, foundations, and community partners whose generosity has helped children grow and thrive.

For the last 15 years, Dinners for Kids has nourished children, supported families, and strengthened our community through the power of a simple meal. To date, the organization has provided over 700,000 nutritious meals to children facing food insecurity throughout Luzerne County.
