

At Rosenn Jenkins & Greenwald, we believe that we have a responsibility to give back to the community that we have served for over 65 years. As a testament to this belief, each of our lawyers is involved in charitable and other volunteer activities in our community. To show our pride in our lawyer's community service, we will highlight the community involvement of an RJG attorney and the organization that he or she serves each Wednesday on our social media pages for the next several weeks. We call it our "Community Involvement Spotlight" and we hope that it shines a light on some of the great charitable and volunteer efforts that are taking place in our community.
