

Stone House Retirement Income Planners, Paul T, Rushton and Rosenn Jenkins &  
Greenwald Contribute to United Way of Susquehanna County's Campaign

In appreciation for Paul T. Rushton's recent appearance on Stone House Retirement Income Planners' Blue Collar Wealth podcast about the use of Family Limited Partnerships and Family Limited Liability Companies for oil and gas royalty owners, Stone House offered to donate \$1,000 to the charity of Paul's choice. Paul selected the United Way of Susquehanna County, which is celebrating its 20th Anniversary this year, and Rosenn Jenkins & Greenwald matched Stone House's \$1,000 donation to the United Way of Susquehanna County.

In honor of this anniversary, The Community Foundation of the Endless Mountains, who was instrumental in establishing the United Way of Susquehanna County, is offering to match any donations up to \$20,000 of increased or new gifts through June.

Contributions to this campaign will help to support the United Way of Susquehanna County's mission of fostering the improvement of academic readiness, mentorship, child wellness and family development/stability.
