

Next week, our regional chambers in partnership with United Way of Wyoming Valley will host their 5th annual Young Professionals Conference!

The 2023 Young Professionals Conference will be held on Wednesday, March 22nd at 8AM in the THINK Center. This day-long conference is aimed at developing our area's talented professionals, featuring amazing speakers in our region between the ages of 20-45. The theme of this year's conference is "The Future of NEPA" and will feature two tracks of breakout sessions, with topics like wellness, personal finance, leadership development, innovation, and getting involved in our community.

Our own Marley Mullery of our Labor & Employment Practice Group will be in attendance.
