

Thomas J. MacNeely Received One of Volunteers in Medicine's Outstanding Vendor/Business Partner Awards

Each year, Volunteers in Medicine holds an Annual Appreciation Luncheon to thank all of their volunteers, partners, and supporters for helping them keep our community healthy. At this year's luncheon, Tom MacNeely, the Chair of our Real Estate Department, received one of the Outstanding Vendor/Business Partner awards! The event was held at the Westmoreland Club on February 8 and recognized the outstanding service of individuals, businesses, and organizations. Congratulations Tom for being among those who were honored!
