

Pennsylvania Act 122, which became effective earlier this year, modified several provisions in the laws governing Pennsylvania corporations and unincorporated associations. In addition, Act 122 established a new Annual Report requirement for Pennsylvania with a delayed effective date.

Paul T. Rushton and Lee S. Piatt of our Business & Finance Department, as members of the Title 15 committee of the Pennsylvania Bar Association's Business Law Section, participated in the drafting of Act 122 and are available to discuss the changes promulgated under the Act. If you are interested in learning more about these law changes, please contact Paul (prushton@rjglaw.com) or Lee (lpatt@rjglaw.com).
