

We wish the Back Mountain Library the best of luck with their upcoming annual auction on July 7-10!

Each year, the library holds an auction selling off donated goods as a fundraiser. This multi-day event is a tradition that's been well-loved by the community for 76 years. Our own Robert N. Gawlas Jr., Chairman of our Workers' Compensation Group and a Partner in our Litigation Department, is a board member of the library. This year, our firm also donated items to be auctioned off so make sure you check out this fun event!
